

## **Facilities Use Request**

God has blessed the East Glenville Community Church with building and grounds, and we are convinced that He blesses in order that we might "be a blessing" to others.

Approval for buildings and grounds use is granted by the Board of Trustees upon receipt of the attached Form with decision about use based upon function, availability, and the Senior Pastor's recommendation. Usage fees will be set as guided by the Building Fees and Deposits Policy.

Usage of the building and grounds in general will be governed by the Building and Grounds Policy, a copy of which will be provided to you. Where applicable, copies of the Kitchen, Funeral and Wedding Policies will be supplied as well. It is expected that application for use of facilities designates compliance to all policies.

In addition to the above Policies which will be supplied to you, please note that users are asked to please respect our convictions that God has made this facility available and conduct yourselves (language, behavior, etc.) in a manner that is honoring to Him.
