In Circle time this month we will learn the letters N and O and the number 6. . We will also talk about oceans and birds. We will be learning about shapes and doing some cutting with scissors. You can help your child greatly by practicing holding the scissors

We have been having SO much fun in this class! We have been cutting, painting, gluing, making fun crafts and measuring. We are also enjoying wonderful Bible stories! In February we will be hearing about the ten lepers, what prayer is and have prayer partners. The children are really enjoying this class!

Reminders

Illness

Please keep you child home if they are ill. If they have been vomiting, diarrhea, or fever in the last 24 hours, they should stay home. If you have any question about their health, play it safe and keep them home. Please use your best judgment when sending your child to school with cold symptoms such as runny nose, sneezing and coughing. We have lots of little hands touching lots of things and germs spread quickly.

Did you know we have a Facebook page (public)- East Glenville Preschool and a Facebook group (private)- East Glenville Christian Preschool. Please join and see pictures and get information about what's happening at school. (Children's faces are blurred for their safety.)

Volunteers

If you would like to volunteer to read or play a game with the children during play time, please see a teacher.

Classroom supplies

The preschool could use the following items for its many craft projects. Please save pony beads , wooden beads, rick rack, and wallpaper for crafts. Any donations are greatly appreciated.
