## Church Projects:

With a church campus of our size, there are always items that need to be addressed. This is a list of items that we have discussed at previous meetings or are in the process of being worked on. We need to prioritize this list and find people to head up these tasks, if you are interested in helping contact, Joe Mulone (519-813-6514) or Dan Meguin (518-935-0619).

## Outside Projects:

- Courtyard cleaning: leaf and shrub cleaning, weeding, cleaning of gutters. We would like to have one of the Trustees organize a small group of people that would like to work on this project. We are looking for a person to lead this.
- Lighting issues in the parking lot– Andrei Squire is leading this
- Front Sign: clean up and landscaping
- Front Sign: replacement with a LED type sign
- The clock on steeple needs to be replaced
- Lawn care issues: pricing, additional mowing, billing issues– Joe Mulone is leading this
- Steeple and soffit painting: scrape and paint
- Church entrance: coach lights replaced; Office entrance needs cleaning
- Snow Plowing: looking for a new vendor– Joe Mulone is leading this
- Topsoil and seed where the 2 stumps were removed
- Add mulch around a few trees on the west side of the sanctuary. They have some existing mulch from last year.
- Remove the accent lighting buried in the stone in the courtyard next to the windows of the Missions Hall
- Straighten the mailbox post (and stain the post?)
- The hanging sign that points to the office and preschool is sad! A new sign is warranted.
- Every spring, the windows should probably be washed

**Did you know?** The link below is the online form to request maintenance to be done in the church, which is also found on the church website, on the page “Operations” listed under the “About Us” tab.
