Quick Note from Pastor Mitch...

It was really fun to hear people's stories. In October my wife and I had the chance to ask a lot of people to tell us about what led them to faith in Christ and also what led them to become a part of East Glenville Church. Everyone's story was so different. In the Church, the Lord gathers together very different people and unites them into one community of disciples. The fact that we are different in our backgrounds and personalities is part of God's plan for the Kingdom. Sometimes these differences can lead to challenges, because we bring into the fellowship varied perspectives and expectations. Part of our spiritual growth happens as we learn to pray for and love our fellow believers through these differences. Our Lord takes the "living stones" of individual believers and uses them to build a temple by which His Presence is made known within this dark world. May we at EGCC be knit together by the Holy Spirit that we might faithfully proclaim the Good News of the Son of God!

Ephesians 2:21 - "In Him the whole building is joined together and rises to become a holy temple in the Lord."

Worship Ministry

Over the past two months, as we've transitioned to indoor services and moved to a livestream using our video camera we have faced a number of challenges. It's not the simple point and shoot of using a phone that we'd done up to this point. With the camera connected to a computer and the sound board there are multiple issues to be addressed. Our Video Team under the direction of Steve Blais, along with the Sound and Media Teams, have been working very hard both in in-house production, and post production/editing to bring you the best video possible. We're working on ironing out the problems and hope to have a reliable and consistent feed up and running very soon. We ask for your patience and prayers as we work through this. The livestream of our 10:30 am service can be accessed on our public Facebook page, and after that on our church website and YouTube (full service), and Spotify (sermon only). Please let Steve or I know if you have any questions.

Blessings! Sandie

Children's Ministry

Our Jr Church program is for children K-5th grade. Children should be dropped off at the entrance to Buchanan Hall before the worship service. All children and volunteers are asked to complete a health screening and wear a face-covering. Jr Church runs for the whole length of the worship service. Children should be promptly picked up when the service ends.
