Circle Time

The theme for this month is the birth of Jesus! We will be teaching the children about our Savior. We will teach them about the number 3, the letter "C", the color green and the triangle shape. We have some fun crafts for the kids to do to go with our lessons! We will be having shape and color hunts, and playing many other fun games.

Bible time

During this month we will be learning about the birth of Christ and about Mary. We have songs to sing with the children that go with these stories.

This month we will be reading about Christmas and the birth of Jesus, the theme for the month. Many of the books we are reading are interactive.

Registration for 2021-2022

Applications for the 2021-2022 school year will be available in early January.

We will be offering our regular 2 day, 2-year-old program on Mondays and Fridays from 9:15-10:45. Class starts in October.

There is a 2 day 3-year-old program on Mondays and Tuesdays from 9am-11:30 am. We are also offering an optional third day on Wednesdays from 9:00 am to 11:30 am. Children must be potty trained to participate in the Wednesday enhanced program.

The four-year-old morning (and afternoon if needed) programs meet on Wednesdays, Thursdays and Fridays from 9:00-11:30 in the morning (or 12:30-3:00 in the afternoon.) We will also be offering the Tuesday enhanced class for 4-year-olds. This class offers more hands on activities, expands on topics we have learned in the 4 year old program and offers some new things. The class will include but not be limited to, activities with phonics, math, science and nature. Students who enroll in either the regular 4-year-old morning or afternoon program are also able to participate in this program. Please speak to Mrs. Chevalier, Mrs. Waugaman, or Mrs. Wachtel.

Current students who return an application for next year before January 31, 2021, are guaranteed the class time of their choice. Beginning February 1st we start to fill in the classes with applications that are received from new students and do not guarantee any spots. There is a non-refundable registration fee for all children of \$30.
