4-Year-Old Class

February 2021

Curriculum for the Month

This month we will be presenting the letters O, and P and the numbers 7, 8 and 9 during circle time.

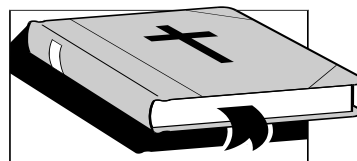

We will learn about opposites when we learn the letter O. With the letter P we will make pizza for

P snack one day, play with the parachute and have a pajama day. On Pajama Day, February 25, the

O children come to school wearing pajamas. They can bring slippers and either a

small blankie or stuffed toy.

In Bible time we will continue with stories about Jesus life, his healings and teachings. We will talk about what a *parable* is when we are learning the letter P in circle.

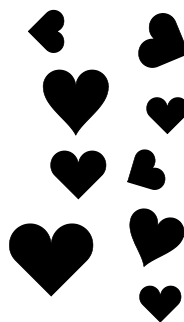

Important Dates

<i>Show and Tell</i>	2/5
<i>Preschool Open House 6-8 pm</i>	2/9
<i>Valentine Party</i>	2/12
<i>Winter Break</i>	2/15
<i>No School</i>	2/19
<i>Pajama Day</i>	2/25

Valentine Party – Friday, February 12th

We will have a special day on February 12th. Lists are posted outside the classrooms where you can sign up to send in something for our special snack. We will end the day with our Valentine card exchange. Each child should bring in cards signed who they are from (you or your child can do this), but they should

NOT be addressed. Each child will go down the line putting one card in each bag for the other children. There are 18 students in the morning classes and 9 students in the afternoon class. *Please bring cards in before the 12th.* Thank you.

ClassVisitors

Since we are not able to do field trips this year, we are looking for some special activities for the children. If parents are interested in coming in and sharing about their occupation or a special skill or hobby, please let us know. We would also welcome parents to come in and read a favorite story to the class. If you are interested in either of these options, speak to a teacher and we will schedule a time for you to come in.

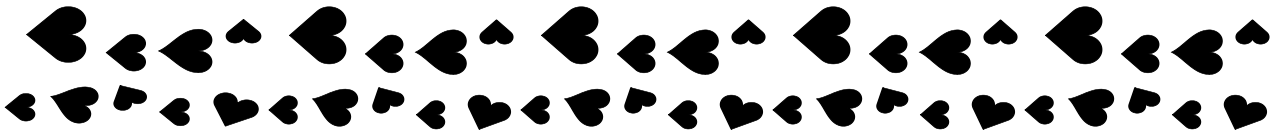

Registration for 2021-22 School Year

We have openings for next year in our 2-year-old class, 3-year-old class, 4-year-old classes and the 3 and 4-year-old enhanced classes. If you know of someone who may be interested in our school, please have them call us or visit our website. Thank you for your continued support.

Kindergarten is Coming!

The school districts are beginning their enrollment processes. You should hear something from your local school by the end of this month. If you haven't heard anything by the end of the month, call your local school district to find out how they handle the process. Each district has a different procedure.

We are currently evaluating your children. The results of these evaluations will be sent home in March.

Illness

Please keep children home from school if they are ill. If they have had a fever, diarrhea, or vomiting within the past 24 hours they should stay home even if they are feeling better. If you have any question about their health, play it safe and keep them home. A child who isn't feeling well has a very difficult time at school. If your child has a communicable disease, notify the school. By letting other parents know what is going around, it helps them know when their own child needs a doctor's attention.

Classroom Supplies

This year we are going through a lot of cleaning supplies. If you can donate sanitizing wipes or hand sanitizer we are always in need of those. We also use some items for our crafts. Please save frosting containers for us. Also, if you have pony beads, wooden beads, rick rack, and wallpaper we appreciate those items.

Safety

Please continue to work with your child on learning their name, address, and telephone number. This information is so important for them to know in case of an emergency. The children are really coming along well with this.

“And whoever welcomes one such child in my name welcomes me.” - Matthew 18:5
