The children are adjusting well to the school routines and environment. We are looking forward to this being a great year together.

We regularly pray for your children and would appreciate you praying for us as we serve your children.

In Bible Time, will be teaching about Noah and Joseph and starting the story of Moses.

In Circle time, we will be learning about the letters C,D, and E and begin working on shapes. We will also continue learning about the calendar and Fall.

If you would like to celebrate your child's birthday at school please let us know. We suggest cookies, fruit, jello jigglers or munchkins as a snack. Please NO cupcakes. We also have children with allergies so we have a very strict NO NUTS policy here at preschool. If your child has a birthday that does not fall within the school year we can always celebrate their "unbirthday" or "half birthday".

### Dress Up Day

On *Tuesday, October 25th* we will have our dress up parade. Your child may wear a costume to school. Please NO witches, devils, ghosts, or things related to the occult that may be frightening to other children. Since children will be parading we ask that they do not wear masks for their safety. If the weather is nice we will march in the courtyard, otherwise we will be in Buchanan Hall. The parade will begin as soon as all children arrive. The children may remain in their costumes for the rest of the morning or bring a change of clothes. There will also be a sign up sheet for party snacks in October.
