Dear Parents,

During the winter months we will be praying for good health for the children, their families and the teachers.

Should you have any concerns regarding your child, or preschool, please feel free to talk to Mrs. Wachtel, Mrs. Waugaman or Mrs. Hamm at any time.

Valentines Day Party

Our Valentines party will be on February 14th. On your child's Valentine cards, please just sign their name for who it is from but please leave who the card is to blank. This will make it easier at distribution time. If you would like to sign up to bring cookies or juice, we have a sign-up sheet posted. Children should each bring in 21 cards.

Welcome New Friends!

Please welcome Parker Devery to the 3 year old class!

Fall Classes

We have openings in our 2, 3 and 4 year old classes and the 3 and 4 year old enhanced classes. If you know someone who is interested, please have them call, e-mail or go online to the website or attend one of our upcoming open houses. Thank you for your continued support.

Circle Time

In Circle time this month we will learn the letters O and P and the #6. We will also talk about oceans and birds. We will be learning about shapes and doing some cutting with scissors. You can help your child greatly by practicing holding the scissors correctly at home.

Enhanced 3 year old class

We have been having SO much fun in this class! We have been cutting, painting, gluing, and making fun crafts. We are also enjoying wonderful Bible stories! In February, we will be learning what prayer is and have prayer partners. The children are really enjoying this class.

Classroom supplies

The preschool could use the following items for its many craft projects. Please save pony beads, partial or full rolls of wallpaper, and cotton balls for crafts. Any donations are greatly appreciated.

Reminders

Illness

Please keep your child home if they are ill. If they have been vomiting, diarrhea, or fever in the last 24 hours, they should stay home. If you have any question about their health, play it safe and keep them home. Please use your best judgment when sending your child to school with cold symptoms such as runny nose, sneezing and coughing. We have lots of little hands touching lots of things and germs spread quickly.

Class Visitors

We are looking for special activities for the kids, so if you would like to come in and talk about your career or hobby, please let us know. We would also welcome parents to read a favorite story or play a game with a class. If you are interested in any of these options, speak to a teacher and we will schedule a time for you to come in,.

Baby Bottles

During February, EGCC will be collecting for the Alpha Pregnancy Center, by filling baby bottles with change/donations. If interested you can pick up a bottle here and return it by the first week of March.
