4-Year-Old Class

February 2023

## Curriculum for the Month

This month we will be presenting the letters O, P and Q and the number 8 during circle time.

We will learn about opposites when we learn the letter O. With the letter P we will make pizza for snack one day, and have a

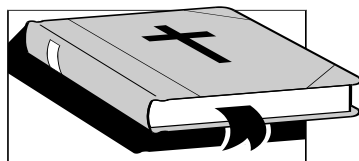

pajama day. On Pajama Day, February 9, the children come to school wearing pajamas. They can

bring slippers and either a small blankie or stuffed

toy.

In Bible time we will continue with stories about Jesus life, his healings and teachings. We will talk about what a *parable* is when we are learning the letter P in circle.

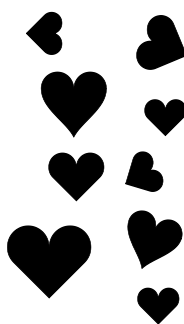

## *Important Dates*

<i>Pajama Day</i>	2/9
<i>Preschool Open House 6-8 pm</i>	2/9
<i>Valentine Party</i>	2/10
<i>Preschool Open House 10am—noon</i>	2/11
<i>Winter Break</i>	2/20 -
<i>No School</i>	2/24

---

## Valentine Party – Friday, February 10th

We will have a special day on February 10th. Lists are posted outside the classrooms where you can sign up to send in something for our special snack. We will end the day with our Valentine card exchange. Each child should bring in cards signed who they are from (you or your child can do this), but they should

*NOT* be addressed. Each child will go down the line putting one card in each bag for the other children. There are 20 students in the morning classes. *Please bring cards in before the 10th.* Thank you.

---

## ClassVisitors

We are looking for some special activities for the children. If parents are interested in coming in and sharing about their occupation or a special skill or hobby, please let us know. We would also welcome parents to come in and read a favorite story to the class. If you are interested in either of these options, speak to a teacher and we will schedule a time for you to come in.

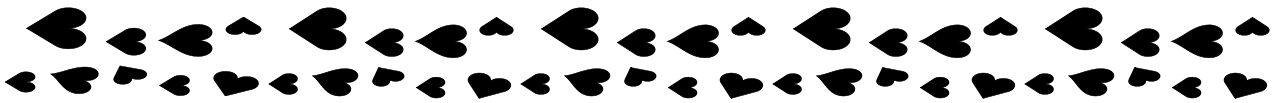

### ***Registration for 2023-24 School Year***

We have openings for next year in our 2-year-old class, 3-year-old class, 4-year-old classes and the 3 and 4-year-old enhanced classes. If you know of someone who may be interested in our school, please have them call us, visit our website, or attend one of our Open Houses. The dates and times for Open Houses are on the front of this newsletter.

### ***Kindergarten is Coming!***

The school districts are beginning their enrollment processes. You should hear something from your local school by the end of this month. If you haven't heard anything by the end of the month, call your local school district to find out how they handle the process. Each district has a different procedure.

We are currently evaluating your children. The results of these evaluations will be sent home in late March.

### ***Illness***

Please keep children home from school if they are ill. If they have had a fever, diarrhea, or vomiting within the past 24 hours they should stay home even if they are feeling better. If you have any question about their health, play it safe and keep them home. A child who isn't feeling well has a very difficult time at school. If your child has a communicable disease, notify the school. By letting other parents know what is going around, it helps them know when their own child needs a doctor's attention.

### ***Safety***

Please continue to work with your child on learning their name, address, and telephone number. This information is so important for them to know in case of an emergency. The children are really coming along well with this.

### ***Classroom Supplies***

We could use some items for our crafts. Please save frosting containers for us. Also, if you have cotton balls, washable ink pads, or are willing to donate napkins or juice, we appreciate those items.

### ***Rocks Needed***

*We will be making a rock craft in March. If you have not sent in a rock yet, could you please find one. Thank you.*

### ***Baby Bottles***

During February, EGCC will be collecting for the Alpha Pregnancy Center, by filling baby bottles with change/donations. If interested you can pick up a bottle here and return it by the first week of March.

**“And whoever welcomes one such child in my name welcomes me.” - Matthew 18:5**
