

East Glenville Community Church – Seeking a new Youth Director / Youth Pastor

We are a church family of 150-200 active participants with a growing number of young families. We have a very active youth group and are looking to bring in a full-time person to lead the EGCC Youth Ministry and disciple the young people in our midst.

The EGCC Youth Ministry encompasses Thursday Night Youth Group, Sunday morning worship and Christian Ed, as well as special activities and additional Bible studies for students in 6th – 12th grade. Thursday Night Youth Group for many students will be the “front door” of EGCC’s ministry to teenagers. The YG gatherings would be well-planned with care given for the message, the game, and small group times. The Vision is for a Youth Ministry that is Christ-centered, Welcoming, Relational and Grounded in Scripture. EGCC is located in Glenville, New York.
