### April Activities

Spring is here and most of us are ready for it and the signs of new life which are appearing. The children are anxious to play outside in this warm weather. The ground dries slowly and our playground will take a while to dry out so be sure your child has appropriate shoes for going out, it will still be muddy.

In Bible Story time Mrs. Waugaman will be teaching about Thomas, the Ascension and the road to Emmaus.

In Circle time we will be talking about growing things, and community helpers. We will cover the letters V and W, and the numbers 10, 11 and 12. Show and tell, with the theme of spring, will be on Friday, April 19th.

We will be getting our caterpillars soon. It is always exciting for the children to see their progress into butterflies and then to let them go.

### Field Trips

Our next field trip will be to the Alplaus Fire House, Wednesday, April 17. In early May we will go to Brookside Museum to participate in their *Sheep to Shawl* program. We are also scheduling a trip to Stoney Meadows Farm, in late May or early June.

If you cannot attend a field trip, your child can still go. You can arrange for another parent to take your child, or you can let the teachers know and a teacher will drive your child. If you need a teacher to drive your child, you bring them to school just like a typical day.

We ask children to wear the T-shirts we made on field trips.

Thank you.

### Upcoming Events

Spring Recess	3/29-4/5
Firehouse Field Trip	4/17
Show and Tell	4/19
Police Officer Visit	4/26
Graduation	6/13

## Welcome Spring

As spring weather makes a more regular appearance, we will begin to go back on the playground. The ground will still be fairly wet for a while and is still messy due to the septic work that was done in the fall, so make sure your children wear appropriate footwear.

We are having a picnic for the children in May. Be looking for information about that event next month.

If your child has a summer birthday, and we haven't celebrated it yet, please see a teacher to select an unbirthday date for us to celebrate with your child. June is very short and we can't do all the summer birthdays then.
