Welcome Back

After Christmas celebrations and family gatherings, school has started again. We pray that the children and teachers will be well and happy during the winter months, and that 2026 will be a wonderful year for all.

Thank you for the Christmas gifts for the school and the teachers. We also appreciate the help in providing food for our special events, helping in the classroom, washing smocks, etc.

The Bible stories for January will be the early life of Jesus, calling His disciples, and some of His miracles.

During Circle Time, we will be introducing the letters K, L, M, and N, and the number 5. We will also have lessons about magnets, the five senses, addresses, and phone numbers, and a visit from a local librarian.

Student Evaluations

January is when we begin evaluating each child. We plan to complete the evaluations and send them home in March so that you can be aware of the progress they have made and areas where they need encouragement as Kindergarten registrations and orientations occur. If you are interested in seeing the list of the areas evaluated, please see a teacher.

Addresses and Phone Numbers

Knowing their address and phone number are two of the items on the evaluation. We will discuss each of these during circle time this month. We have a chart for each class that the children get to put stickers on when they have learned these. Please be working with your child to help them learn this valuable information.

Classes offered

Two year old class: Monday and/or Thursday from 9:15-10:45 am. Once that class is full, we may open a second class for Tuesday and/or Friday. Tuition for 1 day a week is \$52/month, 2 days a week is \$104/month.

Three year old class: The 3's meet on Monday and Tuesday mornings from 9-11:30. We also have an optional 3rd day enhanced day on Wednesday morning 9-11:30. Tuition for the 2 day program is \$124/month, 3 day program is \$186/month.

Four year old class: We will be offering our regular 3 day morning class on Wed, Thurs and Fri from 9-11:30. We will also be offering an optional 4th day class on Tuesday morning 9-11:30 that can be combined with the 3 day class. This will be an enriched class with more hands on activities and we will expand upon topics we have learned and also introduce new concepts including, but not limited to activities with phonics, math, science and nature. For more information on the enhanced class please see Mrs. Waugaman, Mrs. Chevalier, or Miss Mandy. Tuition will be \$186/month for 3 days and \$248/month for 4 days .

A \$35 non-refundable registration fee is required with each application.

Valentine Party

We will have a Valentine's Party on Friday, February 13th. The party includes a special snack and valentine exchange. Each child should bring in valentines that are signed with their name. Do NOT address the valentines to the other children, just sign who they are from. We are making bags for each child to bring their valentines home. During the exchange each child will take the valentines they brought and go around putting one in each bag. If the valentines are addressed who they are to that makes it a much more difficult job for the children to do. There are 19 children in the class . We encourage you to send the valentines in early and we will keep them safe until the party.

*During bad weather,
check the radio or TV for
school closings.
If BH-BL schools are
closed or delayed,
there will be NO preschool,*

*Thank you for the Christmas
presents. We can't wait to
eat the snacks, use the
napkins, and create with the
craft items, and watch the
birds eating at the feeders.*
